## Appendix 2

### **MCI Nodal Centre** **for Basic and Advanced Courses in Medical Education**

Based on the experience gained at the regional centres & feedback from faculty as well as participants, a need has been felt by Medical Council of India to provide deeper knowledge and skills to medical teachers. Therefore, MCI has rolled out **Advance Course in Medical Education**. For this purpose MCI has upgraded good performing Regional Centres as Nodal Centres. We are pleased to share that our centre is one of these Nodal Centres. The centre has successfully conducted eight Advance Courses as of now.

#### **Details of training courses conducted by MEU / RTC/Nodal Centre**

Ten workshops were held during 1990-91, covering about 160 teachers.

From 2000-2010 ten more workshops were conducted covering 284 teachers from Smt. NHL Municipal Medical College as well as faculty members of other medical colleges of Gujarat and Madhya Pradesh. The following table shows the details of the same.

## **Curriculum Implementation Support Program**

New Board of Governors has rolled out NEW MBBS CURRICULUM, which is based on Competency Based Medical Education (CBME) and to be implemented with the new I MBBS batch in August 2019. Nodal centres are given responsibility of conducting CISP for curriculum committee members of the allotted colleges and function as observer on MCI's behalf when colleges organize CISP for their in-house faculty. Same is done for revised basic course and AETCOM workshops at colleges. NHL Nodal Centre has organized 5 CISP in 2019 and 2 CISP (Online) in 2020. We have facilitated 26 colleges to conduct their own CISP at respective colleges so far.

## **Activities of the MEU**

### **Workshops for medical teachers:**

Ten workshops were held during 1990-91, covering about 160 teachers. From 2000-2010 ten more workshops were conducted covering 284 teachers from Smt. NHL Municipal Medical College as well as faculty members of other medical colleges of Gujarat and Madhya Pradesh. The above table shows the details of the same.

### **Workshops for faculty of nursing institutes**

A total of 77 faculty members from nursing institutes from Ahmedabad Municipal Corporation as well as Gujarat were trained from 2006 to 2008.

### **Workshops for faculty of Dental College**

A total of 28 faculty members from Dental College of AMC Medical Education Trust were trained in March 2014.

## **ORIENTATION PROGRAMMES:**

Orientation programme for newly admitted First M.B.B.S. and Second M.B.B.S. students have been conducted on regular basis every year to make them aware about the MBBS programme.

**PROBLEM SOLVING FOR BETTER HEALTH:** First Workshop on “Problem Solving For Better Health” (PSBH) was held on 7-8, August 2001 for Second M.B.B.S. students in collaboration with Health Action by People (HAP), Trivandrum and Dept. of Preventive & Social Medicine. The objective of the workshop was mainly to orient students in research methodology and to encourage them for carrying out original research projects in small groups. Since then, this programme is being regularly conducted and now it is being undertaken by the Community Medicine Department.

**WORKSHOPS ON “HEALTHCARE OF THE ELDERLY PEOPLE” FOR PRIMARY & SECONDARY HEALTHCARE PHYSICIANS:** Under the auspices of WHO and Ministry of Health & Family Welfare, Govt. of India, first workshop was held on 3-4, October 2001, with 35 participants. Second Workshop was held on 27<sup>th</sup>–28<sup>th</sup> Feb, 2003. There were 69 participants from ESIS, AMC & private practice sectors.

**WORKSHOP ON INCIDENT COMMAND SYSTEM for INTERNS** was held jointly with DMI, Abad-11 July 2003.

**WORKSHOP ON RATIONAL DRUG THERAPY FOR RESIDENT DOCTORS** supported by SEWA was held on 20<sup>th</sup> February, 2004, wherein 25 doctors participated actively. Second workshop was held on 19<sup>th</sup> May, 2004 at SCL Hospital, wherein 24 participants were present.

**WORKSHOP ON CLINICAL MANAGEMENT OF MALARIA FOR TEACHERS** of medicine, pediatrics and Obstetrics & Gynaecology departments supported by Commissionerate health – (Malaria, Filariasis) Gujarat state, from 17<sup>th</sup> to 19<sup>th</sup> March, 2004, 25 teachers participated.

**CME Programme on Clinical Trials** - On 7<sup>th</sup> October, 2005 for the clinical teachers and pharmacology teachers. 35 participants attended.

**Debate & Panel Discussion:** Academic Debate and Discussion for UG, PG & Interns was held on 27<sup>th</sup> August 2008 as a part of Platinum Jubilee Year of MCI on the topic “Should the spirit of scientific enquiry (Research) be an integral part of medical curriculum both at undergraduate and postgraduate level?”

From time to time, MEU had tried to solve learning problems of students by:

- Preparing information brochures and record books for Phase-I, II & III students; etc.
- Holding Meetings with parents of newly admitted First M.B.B.S. students and making them aware of the learning problems as well as psychological problems and how to tackle them;
- By running English Language classes for newly admitted students whose medium of instruction during school had been Gujarati;

**TIME AND STRESS MANAGEMENT workshop** has been regularly organized for I MBBS students since 2013.

**BASIC LIFE SUPPORT WORKSHOP** has been organized regularly for I MBBS students since 2013 in collaboration with Department of anesthesiology and Department of Emergency Medicine.

**ATCOM Module** for I MBBS has already been started in our institute.

**Research Methodology Workshops** for Teachers and Postgraduate students have been regularly conducted for last several years.

2 Days **Workshop on Mentoring** was held in August, which was facilitated by Dr. Tejinder Singh, Professor, Pediatrics and a stalwart in Medical Education from Christian Medical college, Ludhiana
