**Statement for transfer of Copyright**

The copyright to the articles published in this journal is transferred to the NHL JOURNAL OF MEDICAL SCIENCES once the article is accepted for publication. At this juncture it is assumed by the Editorial team that the author/s warrants that his/her contribution is original and that he/she has full power to grant this copyright. The author/s sign for and accept responsibility for releasing this material on behalf of any one and/or all co-authors. The transfer of copyright covers the exclusive right of the Editorial team to reproduce and distribute the article, including reprints, translations, etc., electronic form (offline, online) or any other reproductions of similar nature.

An author may self-archive the version of his/her article on his/her own website. He/she may also deposit this version on his/her funder’s or funder’s designated repository at the funder’s request or as a result of a legal obligation, provided it is not made publicly available until 12 months after official publication. He/she may not use the publisher's PDF version, which is posted on website, for the purpose of self-archiving or deposit.

Furthermore, the author may only post his/her version provided acknowledgement is given to the original source of publication and a link is inserted to the published article on website.

After submission of the agreement signed by the corresponding author, changes of authorship or in the order of the authors listed will not be accepted.
