I **Miss ABC(herself)** D/o **Mr. MNP** hereby give my consent for

- |  |     |
|--|-----|
| a) medical examination for treatment                     | Yes |
| b) this medico legal examination                         | Yes |
| c) sample collection for clinical & forensic examination | Yes |

Signature or Left thumb impression

Identification Marks: 1. Black Mole Present over right cheek

2. Old scar present over front of left knee

**[B] HISTORY:**

1. As per police report: A/H/O rape committed by unknown 30 yr male yesterday evening at office

2. Account given by the victim:

- |   |   |
|---|---|
| (1) Date, time & Place of offence:                      | <b>XX/YY/ZZ, 6 :00 pm, Office</b>             |
| (2) Date & time of last intercourse:                    | <b><u>NAD</u></b>                             |
| (3) Contraceptive used or not:                          | <b><u>NAD</u></b>                             |
| (4) Position at the time of offence:                    | <b><u>Supine</u></b>                          |
| (5) Menstruating at the time of offence / examination:  | <b><u>NAD</u></b>                             |
| (6) In senses / Insensible due to intoxicants / trauma: | <b><u>Conscious And oriented</u></b>          |
| (7) Attempts to resist the offence:                     | <b><u>Yes</u></b>                             |
| (8) Micturated / Not micturated:                        | <b><u>Yes</u></b>                             |
| (9) Washed the parts / bath taken or not:               | <b><u>No</u></b>                              |
| (10) Clothes changed / not changed:                     | <b><u>No</u></b>                              |
| (11) Given something to eat or drink before sexual act: | <b><u>Yes Cup of coffee</u></b>               |
| (12) After sexual act bleeding / discharge:             | <b><u>Yes, bleeding from private area</u></b> |
| (13) Felt sensation of penetration:                     | <b><u>Yes</u></b>                             |

**[C] GENERAL EXAMINATION:**

1. Description of clothes including under garments:

Clothes were torn at places. Dry blood stained found over undergarment.

2. Pulse: 72

Blood pressure: 120/80 mm of hg

Height: 150 cm

Weight: 48 kg

3. Breast: Well developed and loves bites mark found over left breast.

4. Injuries:

a. Red ,Multiple abrasion about 0.5x05 cm to 3x2 cm found over face and neck.

b. Red, multiple Contusion about 2x1 cm to 5x3 cm present over both upper arm , both inner aspects of thigh.

**[D] LOCAL EXAMINATION:**

Inner aspects of thighs: dry semen stain Present

Matting of pubic hair: Present at places

Blood/ seminal stain: semen stain present

Vulva: ten

Hymen: Ruptured posteriorly, 5 to 7 o clock position

Fourchette: ruptured

Posterior commissure: Ruptured

Perineum: swollen and tender to touch

Navicular fossa: NAD

Cervix: Swollen and blood clot Present

Evidence of venereal disease: NAD

Discharge Any other: NAD

**[E] SAMPLE COLECTED FOR LABORATORY EXAMINATION:**

) Clothes - for stains /tear examination

) Any loose foreign hair /fiber

) Scalp hair:

) Nail scrapping:

) Saliva - for grouping and secretory status / any other comparison

) Blood in EDTA bulb - for chemical analysis/ any other drugs / alcohol

) Blood in plain bulb - for blood grouping

) Pubic hair for acid phosphatase / any other

) Vaginal smear

) Vaginal swab

) Urine - for alcohol /drugs /grouping

**[F] OPINION:**

Evidence of recent vaginal penetration present and is consistent with penetration by penis.

DATE: XX/YY/ZZ

DESIGNATION:

Sample of seal

**N.B.-** Copy of report and samples collected are handed over in sealed and labeled condition to P.C./PHC/ ASI/PSI **Mrs XYZ** B.No\_\_\_\_\_ of Police station Eliisbridge on XX/YY/ZZ date for further examination by Forensic Science Laboratory, Ahmedabad.

## Exercise - 13 REPORT OF EXAMINATION OF ACCUSED OF SEXUAL OFFENCE

### Competency No. FM14.14

**To examine & prepare report of an alleged accused in rape/unnatural sexual offence in a simulated / supervised environment.**

[Core Competency, Domain - **Skill**, Level - **Knows How**]

SLO No.	SPECIFIC LEARNING OBJECTIVE	Domain	Level
FM14.14.1	The student should be able to know required documents (police requisition) for examination of alleged accused in sexual offence simulated/supervised environment.	S	KH
FM14.14.2	The student should be able to write all the preliminary data (General Particular) of the case of alleged accused in sexual offence and should be able to obtain consent of the subject & write two identification marks in a simulated/supervised environment.	S	KH
FM14.14.3	The student should be able to take history regarding (vasectomy, intoxication, micturated after act, use of condom, frequency of sexual intercourse, bath taken after act, genital wash after act, changing of clothes after act and history given by police) in a simulated/supervised environment.	S	KH
FM14.14.4	The student should be able to perform general physical examination (condition of the clothes, height, weight, built, gait, behavior, dental chart, hair, injuries, stains or any foreign material on body or clothes) interpret the findings in a simulated/supervised environment	S	KH
FM14.14.5	The student should be able to perform local genital examination (pubic hair, scrotum, penis, injury over pubic area/penis /scrotum/inner upper part of thighs) and interpret the findings in a simulated/supervised environment.	S	KH
FM14.14.6	The student should be able to decide the required samples to be collected and able to preserve them (clothes, loose hair, scalp hair ,pubic hair ,Nail scrapping, saliva, blood, Swab from coronal sulcus/glans/shaft of penis - for vaginal epithelium, urine ,any discharge, seminal fluid)any other) in a simulated/supervised environment & able to explain it's medico legal Importance.	S	KH, SH
FM14.14.7	The student should be able to infer the opinion with particular date, signature, Name, designation, seal in a simulated/supervised environment.	S	KH

**REPORT OF EXAMINATION OF ACCUSED OF SEXUAL OFFENCES**

**[A] GENERAL PARTICULARS:**

1. MLC No. \_\_\_\_\_ 2. Police Station: \_\_\_\_\_  
3. Time: \_\_\_\_\_ to \_\_\_\_\_ 4. Date: \_\_\_\_\_  
5. Place: \_\_\_\_\_  
6. Name: \_\_\_\_\_ S/O \_\_\_\_\_ Surname \_\_\_\_\_  
7. Address: \_\_\_\_\_  
8. Age: (As stated by Examinee/Police) : **30 years**. 9. Occupation: **Office boy**  
10. Sent by: **PSI of Ellisbridge police station**  
11. Brought by **PSI of Ellisbridge police station**  
12. Informed expressed consent:  
I **Mr ABC(himself)** D/o **Mr. MNP** hereby give my consent for..

- |  |     |
|--|-----|
| a) this medico legal examination                         | Yes |
| b) sample collection for clinical & forensic examination | Yes |

Signature/LHT impression

13. Marks of identification: 1) \_\_\_\_\_  
2) \_\_\_\_\_

14. History: (Given by Accused):

- a. Vasectomised: No,  
b. Intoxicated: No  
c. Micturated: Yes  
d. Condom used while sexual intercourse: No  
e. Frequency & number of sexual intercourse : once a week  
f. Bath taken: No  
h. Clothes changed No

15. History Given by Police \_\_\_\_\_

**[B] PHYSICAL EXAMINATION:**

1. Condition of clothes: (if not changed) - Tear/Cuts/Stains : torn at places  
2. Height : **160 cms**. 3. Weight **60 kg** . 4. Built : **Well built**  
5. Gait – **Normal** 6. Behavior : **Normal**  
7. Dental Status:

**Total no of teeth : 32 (Permanent)**

Right Upper jaw	8 7 6 5 4 3 2 1	1 2 3 4 5 6 7 8	Left Upper jaw
Right Lower jaw	8 7 6 5 4 3 2 1	1 2 3 4 5 6 7 8	Left Lower jaw
Any other Remarks:			

8. Hair:
  - a. Scalp : Black, 8 to 10 cm long
  - b. Moustache & Beard: Black ,4 – 6 cm long
  - c. Axillary: Black , 4 – 6 cm long
9. Pomum adami: NAD
10. Injuries on the body with duration (signs of struggle;- bite marks, abrasion, if any)
  - a. Red, Multiple, abrasion present over face varying in size 1x1 cm to 4x1 cm
  - b. Red, multiple contusion present over right arm and forearm about 3x2 cm to 4x2 cm size
11. Stains or Foreign material on body:

**[C] LOCAL GENITAL EXAMINATION:**

1. Pubic hair: Matted pubic hair and foreign hair present at places
